ABOUT US

The Honor Movement Foundation supports Active-Duty, Veterans, First Responders, and their families during critical times with expedited resources to aid and comfort them in their time of need, healing, or transition.

*Serving Those
Who Served Us.*

The Honor Movement is committed to honoring and supporting active-duty military, veterans, and first responders and their families with the goal of providing an improved quality of life for those who have sacrificed for our country ultimately, Moving them with Honor toward a path of recovery and better quality of life.

WHAT WE DO

The Honor Movement directly services the Veteran and First Responder communities through a path of recovery through its PROGRAMS OF IMPACT (POI). The POIs Directly target and engage those that need assistance the most, then surround them with a community, and then facilitate and expedite their path of recovery with direct partnerships with other Veteran & First Responder non-profits and directly with local and national medical facilities in a time of need.
